PEAK CENTRE FOR HUMAN PERFORMANCE

Consent and Waiver Form

I confirm that the assessment and the risks related thereof have been fully explained to me and I had an opportunity to ask questions about the demands of taking such assessment. I am fully aware that the assessment proposed includes some risks of injury i.e. physical discomfort, headache, nausea, dizziness, fatigue, metabolic disruption, muscle stiffness and soreness, and in rare cases vascular centered problems or heart attack since such assessment will require high levels of physical effort. I am aware that at any time I may choose not to proceed with the assessment or any part thereof. I also understand that the appraiser upon observation of any abnormal response may terminate the assessment.

I confirm that I do not suffer from any chronic medical problems and I fully understand that it is my responsibility to inform the Centre's personnel of any injury, illness, infection, drug or condition, which could prevent my full participation in the assessment. I am aware that the decision to allow me to undertake the assessment is founded on the assumption that I am a healthy person and that such assumption is based on the information that I have supplied to the Centre, which information I warrant to be accurate in all respects.

In consideration of my being allowed to be assessed, I hereby release and discharge, and by these presents for myself, my heirs, executors, administrators and assigns release and forever discharge the PEAK Centre for Human performance and their directors, employees and agents from any and all actions, causes of actions, claims and demands for damages, loss, injury or death, however arising, which heretofore may have been or may be hereafter sustained by me or result from my participation in the fitness assessment including all damage, loss and injury not now known or anticipated by which may arise in the future and all effects and consequences thereof.
