

Referral Rewards Program

Share your fitness/performance success!

The PEAK Centre **Referral Rewards Program** is meant to reward you, the client, for recommending our services to a friend, family member, co-worker, etc.

Rewards are easy to attain: Simply refer someone who is a new client to the PEAK Centre for testing, and upon completion of their testing, you will receive a reward for savings off your next PEAK Centre fitness testing session.

- For every client referred by you, you will be sent a **PEAK-Certificate** for 15% off your next fitness testing and consultation session at PEAK Centre

Rewards are easy to utilize: When booking your next retesting session, provide your **PEAK-Certificate** number(s) and your reward(s) will be applied against your retesting fee.

This program is our way of giving back to those individuals who have and continue to support the PEAK Centre in offering our comprehensive fitness testing, training, and consultation services.

PEAK-Certificate

No:

This certificate entitles you to 15% off your next PEAK Centre fitness retesting and consultation session
