

Retesting Rewards Program

Track your fitness/performance success!

The PEAK Centre is pleased to announce the launch of our **Retesting Rewards Program**. This program is meant to reward you, the client, by offering a **PEAK-Certificate** that can be utilized for discounts off your next testing and consultation session.

Rewards are easy to attain: As you have already completed a fitness testing and consultation session, you are entitled to receive a PEAK- Certificate for 20% off your next retest session.

Rewards are easy to utilize: When booking your next retesting session, simply provide your PEAK-Certificate number (this will be your date of last testing), and your reward will be applied against your retesting fee. If unsure of the date, we can locate that info for you.

This program is our way of giving back to those individuals who have and continue to support the PEAK Centre in offering our comprehensive fitness testing, training, and consultation services.

PEAK-Certificate

This certificate entitles you to 20% off your next PEAK Centre fitness retesting and consultation session.

- Simply refer to your last test date session upon booking
- Only applicable on PEAK Centre testing (packages excluded)
- Only one PEAK-Certificate per retest permitted (unless completing bike and run)
- Non-transferable and cannot be combined with any other offer

**Your exercise and training time is too valuable to leave to chance.
Call the PEAK Centre today for booking times and availability.**
